Angel On My Shoulder is pleased to present

Healing Angels Retreat for Cancer Survivors

Held Friday to Sunday

Wilderness Resort/Glacier Canyon Lodge, Wisconsin Dells.

Angel On My Shoulder, a registered 501(c)(3) non-profit cancer support foundation, proudly presents *Healing Angels*, a unique retreat that is custom designed for cancer survivors. It is available to those who have **finished their oncology treatments** (i.e. chemotherapy and/or radiation), procedures and/or surgeries and are at the gateway of physical and emotional healing. The criteria allows those in the recent and not-so-recent recovery timeframe to participate.

Healing Angels offers opportunities to experience techniques and learn "angel" tips to leading healthy, satisfying and effective lives in their re-entry and adjustment to the **cancer-free environment**. These rejuvenating two-day retreats will provide a healing atmosphere of love, hope, understanding, learning and pampering for cancer survivors.

Angel's goal is for our facilitators and presenters to guide them along the path of healing to a "normal" life style and create a sense of community with others who have courageously weathered the cancer experience.

The retreat begins at 5:00 pm on Friday and concludes at 12:00 noon on Sunday. One guest is welcome to share lodging and the Friday night dinner, however, the Healing Angels retreat is for **cancer survivors only**.

Complimentary lodging is provided Friday and Saturday nights. Dinner is provided on Friday night (your guest is invited to attend). Participants are provided lunch and dinner on Saturday and continental breakfast on both Saturday and Sunday mornings. Complimentary beverages are provided during the conference.

To be sure that our retreat is what you are expecting and, more importantly, that you feel it would be a good fit and beneficial to you, we hope this gives you a clearer picture of Healing Angels and the cancer survivors who participate. It is truly an opportunity to gather and move forward together with other survivors who have weathered the storm and create an uplifting sense of community with those who have been there.

Angel On My Shoulder will make all lodging reservations. The spa treatment is provided to the participant only. If your guest wishes to receive a spa treatment he/she is responsible for the cost and scheduling their own appointment directly with the Sundara Spa. We do expect our participants to attend sessions and have meals with the rest of the Healing Angels group. This unique retreat is specially designed to give everyone the opportunity to interact with each other and enjoy the spa and yoga sessions. The group interaction at meals and round table discussions is for everyone's benefit. Participation is extremely important to receive the full experience.

The beautiful Wilderness Resort/Glacier Canyon Lodge located in the Wisconsin Dells will be "home" to these healing havens. If you or someone you know could benefit from the gentle touch of *Healing Angels*, please contact us.
